**Item No.1: UCE,OU- Approval of the Budget of the year 2017- 2018**

During the course of discussion, while approving the budget the Members suggested the following:

- 1) Amount to be indicated in Indian System with commas
- 2) Explanatory notes to be added for bringing clarity in budget allocations and wherever the revised budget estimates differ from the proposed estimates by more than 10% or so
- 3) That total expenditure should not exceed the receipts
- 4) The consensus of the members was that earmarking Rs.2,150/- per candidate to the department appears to be very less though it has been decided long ago by the AICTE. The Principal, UCE,OU was requested to ascertain from AICTE, New Delhi on the present status and the same could be considered for allocation from the next academic year.

The Principal, UCE,OU informed that by oversight, the estimates i.e Receipts and Expenditures of self finance courses namely M.Tech (PDS) and M.Tech (ECS) were not included in the budget of Computer Science Department.
