DEPARTMENT OF ECE, O.U.

The Department of Electronics & Communication Engineering (ECE) was established in the year 1959 with only two faculty members. It bears the indelible stamp of its founder Head of the Department, late Prof.K.Krishnan Nair. He exhorted ECE Department to become a byname for Excellence, Creativity and Enterprise. In the span of around six decades, the Department has grown to 500 students at UG, PG and Ph.D with the staff specialized in various fields of Digital Systems, Control Systems, Signal Processing, Microwaves, Microprocessor Applications, Computer Systems, Communication Engineering, Embedded Systems and VLSI Design. The broad spectrum of subjects in the area of ECE is fully represented. At present the research areas in the department are VLSI & Embedded System, Signal Processing, GNSS, Microwave Engineering and Wireless Communications. The Faculty of the Department were instrumental in establishing and developing the Departments of Biomedical & CSE, and Research and Training Unit for Navigational Electronics.

QUECE ALUMNI ASSOCIATION

QUECEA Association was registered in Golden Jubilee year of 2009. The Cardinal aim of the Association is to help the Department of ECE and its students in academics and professional activities. It extend maximum help to the Department in the placement of students in the best organizations. Knowing the genuine needs of the Department, academic as well as non-academic & providing assistance to fulfill them. Propose & execute special projects viz. Building infrastructure facilities, projects, seminars, conferences etc. Adoption of poor/economically backward students by floating scholarships, medals, etc.. Alumni association also conducts talks, seminars and workshops regularly to help Students and Faculty to upgrade their knowledge.
